

RIVERSIDE MUSIC & ARTS FESTIVAL

Cape Vincent, New York - July 26, 2025 Cape Vincent Arts Council is hosting our fourth annual music and arts festival to feature New York musicians performing their own original songs starting at 11am. From individual performances to full bands, the day will be filled with new and familiar music.

In addition to music on the Village Green's stage, artists and food trucks will line the perimeter of the Green. The crowds are ever-changing, and come and go all day as visitors catch their favorite bands and venture to and from local establishments. Cape Vincent's finest shops and eateries are within walking distance of the venue, including the cafe, ice cream shop, brewery, and market directly across the street.

The Purposes of the Cape Vincent Arts Council, or "CVAC," are to increase and broaden opportunities for enjoyment of and participation in cultural activities in and around Cape Vincent by:

- *Advancing appreciation of the arts through arts experiences, inspiration and information.*
- *Providing and promoting programs, exhibits, events and opportunities in all facets of the arts to attract and benefit an inclusive range of ages, interests and cultures.*
- *Advancing education in the arts by offering scholarships, grants, awards or prizes to individuals or organizations and by working with other agencies to develop opportunities for education and learning in and about the arts.*
- *Promoting commerce and industry in the arts and for artists by providing a forum and facilities for artists to develop, exhibit, promote and market their works.*
